ASCAGOULA HIGH SCHOOL

Dedication

On a warm day in September 1953, a spirited little lady walked through the doors of P.H.S. to take over the job of school librarian. But to Pascagoula High School this lady has been and is still much more than just librarian. She has been indispensable in her work with students in clubs, class plays, and various other school activities. So it is with sincere admiration and the deepest respect that the Panther Staff dedicates the '61 PANTHER to

MISS MAE ROGERS

Miss Rogers natural habitat.
